Vic. Despite leaving the rural surroundings of Cantonigròs, the Festival quickly adapted to its new
Equipped with two excellent auditoriums, with a concert series featuring some of the world's top p
artists and home to a Music School, this prestigious theatre has proved to be a wonderful venue fo
proved itself to be much more than simply a Festival but a true global centre resulting in what can
truly special Catalan words *Convivència*. The word can be translated simply as 'living together' but
of these four days each year is to be found within the original ideals of the Festival's founders as co
Festival's President, Josep María Busquets. He speaks of 'the sharing of cultures and traditions betw
of music thereby opening up a dialogue of understanding and peace.' From the initial warm welco
Ajuntament (City Council) of Vic, the Atlàntida and the people of Vic itself, the Festival has becor
event in the town's calendar.

This year's Festival, which ran from 14th-17th, July saw a wonderful range of choirs and dance
the five competitions were generously donated by the Generalitat (Government) de Catalunya, Aju
Porret and the Festival itself. There was a high level of performance in all the competitions and the
Concert featured a number of the participating choirs and dance groups including the remarkable
four young men and women who were recently discovered when they won a talent contest on the
Cantonigròs audience truly spellbound by the ease with which they effortlessly moved from traditi
works of considerable technical complexity, all sung with pinpoint accuracy and true aplomb with

The First Prize in the competition for Mixed Choirs was won by the *Cantemus Choir* of Hung
a fine tone quality, great dynamic range and a generous range of sonorities. The women of the *Can*
made a powerful impression with the beauty and accuracy of their performances for which they w
